HOSPITALITY

**SERVED  
TO YOU**

# Welcome

**We have put together a suite of menus offering a wide range of options allowing you to customise your catering selection to meet with your specific needs.**

Whatever menu that you opt for, we are passionate about delivering fresh and tasty food to enhance your meeting or event and are committed to providing a high level of service across campus.

### **What this menu will offer you**

This menu is suited to larger groups and events across the Reading campuses which require some support from us, whilst also offering a more premium selection for you to choose from. Our experienced team will deliver and serve your food and drinks appropriately depending on the menu options, size and location of your event. Food from this menu will be served more formally on reusable platters so that we can provide the right look and feel for your particular conference, event or meeting.

In addition to our every day items, this menu also includes options for drinks receptions, canapes, Hot/cold fork buffets and summer

BBQs, allowing more choice and flexibility for you to provide something extra for your special event or meeting. Take a look through the menu, choose your preferred option to suit your meeting or function and we can take care of the rest - we are always happy to offer advice on what option will work well in a specific space for a wide range of events.

If you feel that you would like a more informal offering, please see our other menus for more information at [hospitalityuor.co.uk/campus-hospitality](http://hospitalityuor.co.uk/campus-hospitality).

Unfortunately, this menu is not available at the Greenlands campus, if you are interested in catering at Greenlands, please get in touch for further information: [conference@henley.com](mailto:conference@henley.com)
